Re: Air Water & Soil Laboratories, Inc.
Re-certification of MBE Status
Certification No: **18-13736**

Dear Ms. Tombes:

Congratulations, this letter is to inform you that the Supplier Development & Diversity Division (SDDD) has determined that your firm qualifies to participate in the Supplier Diversity Program in Prince George's County. Please note that your firm's MBE Certification is based on the company's eligibility criteria established with the Maryland Department of Transportation (MDOT). **As a reminder, your firm's MBE certification status is for one (1) year only.**

Your certification applies only to a specific area or areas of specialty and/or expertise as approved by the MDOT.

The attached document identified as Schedule A sets forth the expiration date and areas(s) of specialty and expertise for your firm's certification and whether your firm certifies as a "Prince George's County-Based diverse supplier". Please review Schedule A carefully. Note that MBE certification is not a "pre-qualification" for your firm to do business in the County. To increase your firm's opportunity to obtain a County contract, your company should actively participate in the bidding process.

Thank you for participating in the County's Supplier Diversity Program with the SDDD. We look forward to working with you and serving you again soon.

Sincerely,

Roland L. Jones, Director
Office of Central Services
